

Rehabilitation Candidates in Priority Ranking Order

Page Number	Priority Ranking	Sufficiency Rating	Agency Name	Bridge Name	Structure Identifier	Estimated Project Cost	Estimated Replacement Cost	Technical Committee Comments	Fed. Aid Highway
1	14.99	37.99 SD	Centralia	Rock St. Alley West	08659100	\$57,000.00	\$165,000.00	Poor Candidate - why salvage a superstructure with a code of 3. Cost to support may cost as much as a new deck.	Off
2	30.62	32.56 SD	Whatcom County	Middle Fork	08157400	\$740,555.00	\$3,571,147.00	Because of an email firewall problem, Technical Committee did not see this candidate.	Off
3	38.86	45.86 SD	Snohomish County	Granite Falls	08062500	\$3,227,000.00	\$5,500,000.00	OK for deck rehab but 58% seems high. Verify lifecycle cost model match or exceeds new bridge. Rehab needs to last longer than 15 years.	On
4	50.11	56.99 SD	King County	Ames Lake Trestle	08066000	\$353,000.00	\$2,300,000.00	Good Deck rehab candidate providing the existing deck is bad. If not rehab should be done later.	On
5	82.22	42.10 FO	Sumner	Stuck River	08541900	\$867,000.00	\$4,500,000.00	Because of an email firewall problem, Technical Committee did not see this candidate.	On
6	90.26	66.14 FO	Adams County	Leo Dyck	08338400	\$75,000.00	\$123,000.00	Good use of funds if abutments are not in danger of being undermined and scour evaluation code of 8 is correct	Off
7	102.38	33.55 FO	Adams County	Rooster	08335200	\$98,000.00	\$148,000.00	Replacing timber superstructure is good idea providing concrete substructure can handle HS 20/25 design loads. Just replacing deck will not correct FO, if deck is ok rehab at a later time.	Off
87	110.56	62.23 FO	Chelan	Chelan River Bridge	08566500	\$1,829,000.00	\$4,600,000.00	Replacing superstructure as a safety and functionality project is a good idea providing a significant substructure investigation is done to prove it can handle increased loads and the concrete is in good condition. Determine cause of rail movement.	Off
9	121.6	68.80 FO	Sumner	Stuck River	08541700	\$267,000.00	\$940,000.00	Because of an email firewall problem, Technical Committee did not see this candidate.	On
10	136.34	76.62 FO	Pierce County	Tacoma Eastern Rr Oc	08489700	\$1,470,000.00	\$1,800,000.00	Fair geometric upgrade. Very high ratio of rehab/replace cost.	On
